

# MOHAMMED WASIULLAH

Email: mohammedwasiullah6@gmail.com | Phone: 9606468360 | Karnataka, India

## PROFESSIONAL SUMMARY

Computer Science Engineering graduate with experience in Generative AI, frontend development, customer support, HR coordination, and recruitment support activities. Skilled in building AI-powered applications using RAG architecture, LLMs, vector databases, and cloud AI platforms. Strong communication, leadership, candidate coordination, onboarding support, and problem-solving skills with hands-on experience in real-world projects and customer interaction environments.

## GENERATIVE AI & SOFTWARE PROJECTS

### Document Navigator – Transparent RAG Assistant

Tech Stack: Python, LangChain, Streamlit, FAISS, ChromaDB, Ollama/OpenAI

- Developed a RAG-based AI assistant for intelligent PDF querying and contextual answer generation.
- Implemented semantic search, embeddings, vector retrieval, confidence scoring, and citations.

### Gemini AI Research Assistant

Tech Stack: Gemini API, Python, Streamlit, Google AI Studio

- Built an AI assistant using Gemini APIs for summarization, prompt engineering, and conversational AI workflows.

### W.A.S.I – AI Virtual Assistant Interface

Tech Stack: React.js, JavaScript, Web Speech API

- Developed a responsive AI virtual assistant with voice interaction and intelligent frontend workflows.

### Student Job Tracker Application

Tech Stack: MERN Stack

- Developed a full-stack platform for managing and tracking student job applications.

## TECHNICAL & PROFESSIONAL SKILLS

|                     |                                                               |
|---------------------|---------------------------------------------------------------|
| Programming         | Python, JavaScript, Java, HTML, CSS                           |
| Frontend            | React.js, Tailwind CSS, Next.js                               |
| Backend             | Node.js, Express.js, MongoDB                                  |
| Generative AI       | RAG, Prompt Engineering, LLM Integration                      |
| Frameworks          | LangChain, Hugging Face, Streamlit                            |
| Vector Databases    | FAISS, ChromaDB                                               |
| Cloud AI            | Google Vertex AI, Azure AI, AWS Bedrock                       |
| AI Tools            | Gemini API, OpenAI API, Ollama                                |
| HR & Recruitment    | Interview Scheduling, Candidate Screening, Onboarding Support |
| Professional Skills | Leadership, Communication, CRM Handling, Team Coordination    |

## WORK EXPERIENCE

**Research Analyst – Concentrix Daksh Services India Private Limited**

July 2025 – September 2025

- Managed international customer interactions and maintained SLA metrics.
- Assisted in onboarding support and process guidance for new team members.
- Coordinated with teams for escalation handling and workflow management.

**Customer Support Associate – Alorica India Private Limited**

September 2025 – April 2026

- Provided international voice and chat support for healthcare-related processes.
- Maintained CRM updates and collaborated with teams for issue resolution.
- Supported communication coordination and customer handling processes.

**HR & Recruitment Coordination Experience**

- Assisted in interview scheduling and candidate communication activities.
- Supported onboarding coordination and documentation processes.
- Worked on team coordination, employee communication, and professional email handling.

**Retail Sales Associate – Clothing Retail Store**

Karnataka, India

- Managed customer interactions, billing, inventory, and daily sales operations.

**EDUCATION**

**Bachelor of Engineering (B.E.) – Computer Science and Engineering | 2024**

**PUC – Cathedral Composite PU College | 2020**

**ICSE – ST Germain High School | 2018**

**CERTIFICATIONS**

- UI/UX Development under Livelihood Projects
- Employability Skills under Wadhvani Foundation
- Ethics in the Age of Generative AI
- Hands-on Learning in Gemini AI and LLM Applications
